

THE NEWS FROM LITTLE RIVER.

Wm. Holden's Condition Serious—Mrs. Whitten's Death Deplored.

(Too late for last week.) Little River, Dec. 29.—Special: Christmas has come and gone again, and our people have had a good time generally. I have not heard of any serious accidents during the holidays. One thing in particular worthy of mentioning is the sober condition of the men and boys. There was very little evidence of "booze" in this section, especially around Salem.

The many friends of Mrs. D. P. Grant will be sorry to hear she is very sick at this time. Her early restoration to good health is hoped for by many friends.

Miss Maud Wigginton celebrated her 16th birthday on December 28th by spreading a sumptuous dinner to several invited guests.

Miss Myrtle and Charley Perry were among the visitors in the Whitewater section during the past week.

Miss Gertrude and Dave Dunlap, of the Oak Grove section, were among the visitors in this section during the holidays. They brought their sister, Miss Alma, back to her school at Smeltzer.

R. W. Burgess made a business trip to Rabun, Ga., during the holidays.

J. C. Alexander, with his fine fox hounds, gave the Little River section a fine fox chase on Christmas Eve morning. The chase lasted for some five or six hours, almost continuously, with the reward of a large grey at the end, which was captured near Alf Barton's home. The yelping of the dogs and shouts of the men were heard for many miles around.

The many friends of William Holden, of Fall Creek, will be sorry to learn that his condition is very serious at this time.

The W. O. W., Salem Camp, No. 474, met at the hall Saturday night, December 27th. A goodly number of sovereigns were present. After the meeting was called to order and general business had been transacted, new officers were installed for the coming year. The regular meeting night is the fourth Saturday night in each month. Sovereigns of other camps are invited to visit our camp at any time, and members are urged to attend regularly.

Rev. S. A. Tow filled his appointment at Smeltzer on the third Sunday. His next appointment will be on the fourth Sunday in January, 11 o'clock a. m., at same place.

The sad news of the death of Mrs. J. Baylus Whitten, of Pendleton, was received here the latter part of last week. She had been in bad health for some time, and the end was not unexpected by her many friends. Her brother, G. R. Pike, and two sons, N. P. and A. C. Whitten, of Salem, attended the burial. The sympathy of a wide circle of friends goes out to the bereaved ones.

Shot While Showing Gun.

(Greenville Piedmont, Jan. 1.) As Rufus Prewitt, of the Gowensville section, was showing a woman his new pistol, the gun accidentally discharged and the bullet struck Prewitt in the hand, tearing away one thumb and entering his face. The accident occurred at the woman's home, near Gowensville. Her name could not be learned to-day.

Prewitt was treated by Drs. Morrow and Lanford, and is said to be resting very well.

Blease Has Freed Nearly 1,000.

Columbia, Jan. 2. — Governor Blease closed the year 1913 by granting five paroles and one full pardon, making 953 the total number of convicts he has freed since entering upon his duties as Governor three years ago. Of this number 689 were paroled, the majority of them being upon condition that they be of good behavior, and 265 were given full pardon.

**Blood Transfusion Success.**

Kalamazoo, Mich., Jan. 1.—Ches-ter Bradford was freed from the State Insane Hospital here after a transfusion of blood had restored his strength and returned him to a rational mental condition.

Bradford lived in Sowaglac and was sent to the hospital several weeks ago. The staff physicians quickly declared that while Bradford was not insane he was mentally weak, poorly nourished and ill. After several weeks' treatment they told Mrs. Bradford they thought a transfusion of blood would hasten his recovery. She supplied the blood and recovery was speedy.

**Very Timely.**

"What day shall it be, general?"

"Why, next Saturday, of course."

**Aeroplane Service in Florida.**

Tampa, Fla., Jan. 1.—The first daily aeroplane passenger and express service between two cities in the South, possibly in the country, was opened to-day with a successful flight of a hydro-aeroplane from St. Petersburg across the bay to Tampa, an air line distance of 18 miles. A. C. Phail, former mayor of St. Petersburg, was the passenger.

The flight was made in 23 minutes, at an average height of 80 feet above the water. The return flight was made at the same average speed. A fare of \$5 each way is charged. A small amount of baggage also is carried at a specified pound rate. The only limit fixed in the case of a passenger is that he or she must not weigh over 200 pounds; or if weighing more than that amount, an extra charge of 5 cents a pound is made.

**GIRLS! DRAW A MOIST CLOTH THROUGH HAIR.**

Try This! Hair Gets Thick, Glossy, Wavy and Beautiful at Once. Stops Falling Out.

Immediate? Yes! Certain?—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous, and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few week's use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.

**Labor to Withdraw Funds.**

Indianapolis, Ind., Jan. 1.—Certain Indianapolis banks have made preparations to pay out vast sums of money beginning next Friday morning, as an aftermath of the recent labor trouble in this city. The officers of the International Unions having headquarters here have decided to withdraw from the local banks all funds of the organizations, amounting to between \$4,000,000 and \$5,000,000. In a statement issued, the reason is given that the union leaders "have cause to believe that said moneys are being used by the merchants, manufacturers and team owners of Indianapolis to crush the working people."

The statement was signed by international officers of the barbers', carpenters', bricklayers', plasterers', bookbinders', and teamsters' unions.

**NOTICE TO TRESPASSERS.**

All persons are hereby notified and warned not to trespass in any manner upon any lands owned by me or under my control. Entry for any purpose whatsoever is forbidden, and trespassers will be dealt with according to law. JOHN F. CRAIG,

FROM OLD BOUNTY LAND.

"Christmas Not What It Used to Be." Personal Paragraphs.

(Too late for last week.) Bounty Land, Dec. 29.—Special: "Christmas is not what it used to be," says Brown, as he crossed his legs and spit in the fire and looked away off across the fields. (Plunkett.) The holidays are passing off very quietly here, and even one of our age can see that the yuletide is not celebrated as it "used to be," although we must say that the manner of observance is more fitting, though perhaps less enjoyable, than formerly.

Mrs. J. B. Pickett gave a family dining Christmas day. Among the guests were Mr. and Mrs. Harry Pickett and family, of Greenville; Mr. and Mrs. Ed. Pickett and family, of Clemson; Mrs. Hattie Milam and two children, Sandy Springs; Mesdames Sallie Gilmer and A. C. Pal-lenger, of Seneca.

Invitations have been received here to the celebration of the 25th anniversary of the marriage of Mr. and Mrs. W. R. Davis, of near Seneca, January 1.

What a voluminous gush of euphony is anticipated in the harmonious blending of the rhyming, chiming wedding bells and the musical tintinnabulation of the golden New Year chimes! Oh, "Hear the mellow wedding bells—golden bells!

What a world of happiness their harmony foretells!"

Ere The Courier reaches all its readers one of our most amiable and accomplished young ladies will have been to Hymen's altar by one of Tammassee's worthy citizens. Were it not for the marriage license law we would not have been in possession of these facts, and therefore cannot give names, even this near the time, although there is no backing out when a widower helps to pull the bell cord. Congratulations are extended in advance of the happy event.

Dr. and Mrs. Arthur P. McElroy, of Union, and Mr. and Mrs. John Myers, of Seneca, were in the community a short while Friday.

J. S. Pickett, of Atlanta, made a brief visit to relatives here last week. Mr. and Mrs. J. R. Wright left Friday for a two weeks' visit to relatives at Sandy Springs, Greenwood and Johnston.

Misses Eugenia Davis and Ella Hayes, of Seneca, spent Tuesday with Miss May Guntharp.

Notwithstanding the disagreeable weather, quite a number attended the Christmas tree at the school house Thursday, and many presents were distributed.

Mr. and Mrs. Elijah Gillison and three children, of Pine Mountain, Ga., spent a day or so last week with Mrs. J. M. Gillison.

S. A. Davis, of Greenville, is spending the holidays with home people here. He and his brother Dean spent Friday in Anderson.

Misses Annie and Carrie McMahan and brother Jeff spent Friday in Spartanburg as guests of their aunt, Mrs. Archer.

Misses Cora Hubbard, of Spartanburg, and May Hubbard, of Winthrop College, are with their parents, Mr. and Mrs. W. T. Hubbard.

A. G. Shanklin and daughter, Janie Neville, of Clemson, spent Saturday at the Davis home.

Miss Ella Shirley and Melton Dickson, of Rabun Gap, Ga., have been visiting at the home of G. B. Guntharp, leaving yesterday.

Miss Carrie Stribling and brother Willie, of Atlanta, are expected this week at the home of Joe McDonald. Lawrence McDonald, of Newberry, is with home people here.

Mr. and Mrs. Charles Ballenger, of Greenville, are spending the holidays with Mr. and Mrs. J. J. Ballenger, at Richland.

Mr. and Mrs. A. S. Rollins and little son, Albert Perritt, of Charleston, and Miss Bertrand Perritt, of Augusta, spent from Wednesday until Sunday with their parents, Mr. and Mrs. D. A. Perritt.

Best Cough Medicine for Children.

"I am very glad to say a few words in praise of Chamberlain's Cough Remedy," writes Mrs. Lida Dewey, Milwaukee, Wis. "I have used it for years, both for my children and myself, and it never fails to relieve and cure a cough or cold. No family with children should be without it, as it gives almost immediate relief in cases of croup." Chamberlain's Cough Remedy is pleasant and safe to take, which is of great importance when a medicine must be given to young children. For sale by all dealers.

New York Tops London.

New York, Jan. 1.—New York city leads London in population by 1,000,000, according to figures made public by Dr. W. H. Guilfooy, statistician of the board of health. He fixes New York's population at 5,376,966, a total based on the city's presumptive growth since the last count was made.

This comparison, however, does not include as part of London that city's large suburban area. While New York is gaining rapidly in population, the city and county of London is retrogressing.

\$250,000 Fixed as Ransom.

Chihuahua, Mexico, Dec. 31.—Two hundred and fifty thousand dollars in gold has been fixed by Gen. Villa as the ransom demanded for the release of Lus Terrizas, the son of a rich Mexican here, who has been imprisoned by the rebel leader five weeks on the charge that he had supported Huerta. The sum is to be paid by his father, who has been negotiating at El Paso for his son's release. The prisoner is to be brought to the United States border soon.
